

A note from Rob,

I would like to start off by thanking all of our customers for your loyal patronage for the last 19 years. After months of deliberation, I have decided to change our hours of operation at Express Car Care.

Because of you we have built a very successful family owned and operated business here in Denver. We have made many friends and great relationships through the years. I cherish those relationships more than I could ever have imagined. Unfortunately, our home life and time with our families has sometimes suffered or came second. It is for this reason that I have decided to take weekends off to spend more time with my family and grandchildren.

It is not fair of me to take those days off and expect the rest of our team to be here on Saturdays. So, I made the decision to also allow our whole work family the opportunity to enjoy their weekends with family as well. I have informed our team of this decision and had an overwhelming positive response. It was a blessing to see how happy everyone was about the decision and confirmed to me that it was the right one.

I hope this will not be an inconvenience to all of you and that you will continue to allow us to service your automotive needs. We will do everything we can to offer you the service you expect and deserve. It is our goal to offer a better and more efficient service during the week as we will have a full crew every day. We appreciate your understanding of us putting our personal lives first.

As of April 15th we will be open Monday through Friday from 8:00 am to 5:30 pm. Thank you again for your patronage in the past and in the future.

Sincerely,
Rob

P.S. we encourage you to take advantage of our night drop and to schedule appointments for your automotive repair needs. We will continue to take all oil changes and maintenance services without appointments!

Thank you again, from our family to yours.
